

## You tell us

Are you enjoying orientation week?

Yes, it's great! You meet new people and have lots of fun.  
Paul Brandon, Electronics engineering technology (Y 1)

Of course the parties aren't the best, but the friends are making Orientation. Love and security. (Y 1)

Yes, but they should do it again next year, but have some more events.  
Greg Lill, Engineering technology (Y 1)

It's pretty good. It should be different every year, and maybe have a few more a year.  
James Pelton, Electronics engineering (Y 1)

Yes, I'm really enjoying it. It's setting up all sorts.  
Christine Spitznagel, Accounting (Y 1)

Yes, I'm enjoying everything because I'm helping out and I think it is a great way to start the year off.  
Anna Hays, Orientation staff.

There should be more activities that you can get involved in other than the pub, and more information about the sports stuff.  
Hendy Verheijen, Tahiti/Maldives, Social sciences (Y 1)

Well, the best one should be to do it.  
Brenda Delaney, Jane Delow, Jerry Miller, Business management (Y 1)
